Sep 2025 – Dec 2026

- GPA: 3.90/4.00 (Current) | Merit Scholarship | Beta Gamma Sigma | Supply Chain Management concentration
- Coursework: Operations Mgmt, Ops & Supply Chain, Applied Business Forecasting, Simulation for Business

UNIVERSITY OF ECONOMICS HO CHI MINH CITY

Vietnam

B.Finance & Banking

Sep 2019 – Dec 2022

- GPA: 3.77/4.00 | Outstanding Academic & Extracurricular Excellence Scholarship

WORK EXPERIENCE

UNIVERSITY OF CALIFORNIA, RIVERSIDE, SCHOOL OF BUSINESS

Riverside, CA

Grader, Summer Session

Jul 27 – Sep 1, 2026

- Built an Excel template auto-updating grading statistics, cutting summary processing time 50%; manually flagged recurring errors from structured grading notes, which declined over the course.
- Graded homework sets, a midterm, and a final per course for 110 students across two MSBA courses; delivered grades at ~8-hour turnaround per batch, ~95% accuracy.

STANDARD CHARTERED BANK

Ho Chi Minh City, Vietnam

Product Specialist, Priority Banking

Mar 2025 – Aug 2025

- Co-led end-to-end redesign of a loyalty program serving 400+ customers, using Excel to benchmark 5+ institutions and analyze historical client data; drove a 10% increase in Tier One enrollment within Q1 of launch.
- Directed vendor relationships through the platform launch, tracking deliverables and supplier KPIs via Excel dashboards; grew customer engagement 20% and reached 95% client satisfaction on timely support.

STANDARD CHARTERED BANK

Ho Chi Minh City, Vietnam

Management Trainee, Retail Banking

Sep 2023 – Feb 2025

- Analyzed workflows to translate 2 government mandates into action – client biometric updates and biometric authentication on select transactions – meeting the regulatory compliance deadline.
- Defined business requirements and designed 100+ test scenarios to validate new system implementations, covering 80% of scenarios encountered during real-world testing before launch.
- Tracked operational KPIs and resolved cross-functional issues post-launch, driving 90% adoption of a new digital platform feature within one month of release.

CHAILEASE INTERNATIONAL LEASING

Ho Chi Minh City, Vietnam

Loan Underwriting Intern

Oct 2022 – Mar 2023

- Evaluated and processed 30+ SME loan applications (~\$10K per case); organized applicant data into structured databases for credit assessment, with ~80% of files advancing to decision/funding without major rework.

STANDARD CHARTERED BANK

Ho Chi Minh City, Vietnam

Credit Risk Intern, Retail Banking

Jun 2022 – Aug 2022

- Reorganized 200+ manually input client records and developed a reusable Excel template (VLOOKUP, conditional logic) based on common terms/signals, cutting processing time by 10x.

PROJECTS

Capstone – Structural Drivers of AI Private Investment [GitHub]

UCR MSBA, 2026

- Led panel-data analysis of AI private investment drivers across 30 countries (2017–2024) using R; developed a country fixed-effects model explaining 74% of variation and identifying 3 significant drivers.

Supply Chain Cost & Inventory Simulation [GitHub]

UCR MSBA, 2026

- Constructed demand-forecasting and inventory-policy models in Excel across 5 regions (~111K drums, 730 days) to guide purchasing and spend optimization, achieving #1 class ranking by profit.

Monte Carlo Simulation – AI Company Risk Prediction [GitHub]

UCR MSBA, 2026

- Ran a 1,000-iteration Monte Carlo simulation in Excel to quantify valuation risk across 18 public AI companies using 5 years of SEC filings, flagging 9 AI-native companies as higher-risk.

SKILLS

Software: Excel (Pivot Tables, VLOOKUP, dashboards), R, Python, SQL, MS Office, Google Workspace, LaTeX, AI tools (ChatGPT, Claude, Cursor)

Certifications: SQL Bootcamp (Udemy), IC3 Digital Literacy (Certiport), Code in Place (Stanford University)

Languages: English (fluent), Vietnamese (native)
